## AMERICAN HOST FAMILY

You will be staying with an American host family while you are attending the Buffalo International Conference. This is a wonderful time to experience American culture in the setting of an American home. TV and movies don't portray a realistic image of American home and family life. These families have volunteered to host you and provide your meals and accommodation while you are with them at no cost to you. We are confident that you will enjoy your stay with your family.

## ABOUT THE SPEAKER

Dr. Rajendra Koshy

Dr. T. E. Koshy, from Kerala, India has degrees in philosophy, law, journalism and theology, from India, and earned a Ph.D in Mass Comm. from Syracuse Univ. He is a popular speaker at conferences and colleges in the U.S. and abroad; He participates in various outstanding Christian organizations; and in 1982 he was one of the ten delegates to analyze the need and develop teaching guidelines to bring greater theological/Biblical content into mass media communications.
