AMERICAN HOST FAMILY

You will be staying with an American host family while you are attending the Buffalo International Conference. This is a wonderful time to experience American culture in the setting of an American home. TV and movies don't portray a realistic image of American home and family life. These families have volunteered to host you and provide your meals and accommodation while you are with them at no cost to you. We are confident that you will enjoy your stay with your family.

ABOUT THE SPEAKER

Dr. Greg McClain, Pastor

Greg is the senior pastor of the Wesleyan Church of Hamburg, one of the largest churches in Western NY. He received his Doctor of Ministry-Asbury Theological Seminary. "In my journey through life I have become convinced that God's ways are best, and that a life lived in obedience to Christ is by far the best way to enjoy life as it was meant to be." Dr. Greg McClain.
